

## SCHOOL ANTHEM

**Enter to learn, leave to serve  
This motto we hold high  
With knowledge as our guiding light  
We reach for the sky.**

Saint Jude's students we are from the city of Lucknow .  
Patron of our lives we honor you and vow  
To remain loyal steadfast and true  
Guided by your light in all we pursue.

St. Jude our patron we honor and pray  
Bless us and guide us day by day  
In this school we find our way  
Shaping hearts and minds to pave the nation's way.

Our school moulds our life so bright  
It shapes our minds and hearts alight  
For service to the nation we stand so proud  
With Alma Mater's love  
Our hearts are endowed.

Striving for excellence in all we do  
With true knowledge our dreams come through  
Like candlelight a path is bright  
Every day we climb to a greater height.

Inspiring us to live the dream  
St. Jude is the light that beams  
For it's the reason we stand today  
Grateful for the journey along the way.
